Dear Member,

Further to the General Meeting held in February we would like to update you with what has happened since. On the following day to our meeting, Manly Leagues held their General Meeting with their members who also approved the amalgamation. Since this time the solicitors have been preparing the paperwork on behalf of both clubs which has recently been lodged with the Government regulator. With this now been done, the next part of the process is for the proposed amalgamation be advertised for a month and then it will move through the process with the government authorities. We are looking at approximately 8 weeks for this to happen so it may be finalised prior to the end of the financial year.

The next major hurdle is for the club to find a new caterer as Jenny and Kevin have decided to move on with Manly Leagues coming into the club. They have assisted the club during this tough period from after the first lockdown to present. Kevin has decided to take a new role in another establishment and we wish them all the best. The club will be advertising to replace the caterers and hopefully this role will be filled soon.

The board have been working diligently on the nature of a new sub committee for when the amalgamation is finalised. The current board will stay on in an advisory capacity as per the Memorandum of Understanding. Working in conjunction with the board will be a bowls committee which will consist of representatives from the men's and ladies clubs.

We will be working with Manly over the coming weeks to assist them in their plans to upgrade the clubhouse and facilities for the members.

While the weather hasn't been great it would be great to see some of our members enjoying a beer or game of bowls at the club.

We look forward to seeing you soon and if you would like any further information please do not hesitate to contact the club or email manager@dybowling.com.au

William Minnett

On behalf of DYBC Board of Directors
